

THE GREENCARD BACKLOG PROBLEM: DELAY

1. The greencard backlog processing time for some immigrants is longer than 10 years
2. Some citizens are not eligible for E-2 visas because no U.S. investment treaty exists with their home country
3. Waiting in a backlog creates uncertainty regarding the result. The law and rules can change

THE SOLUTION - E-2 VISA

Become a United States E-2 work visa holder within 6 months with your family.
